To enhance the Magic Morning experience, it is strongly recommended that guests arrive at least one hour and 15 minutes prior to regular park opening. Magic Morning admission is based on availability and does not operate daily. Applicable theme park, days and times of operation and all other elements including, but not limited to, operation of attractions, entertainment, stores, restaurants and appearances of characters may vary and are subject to change without notice. Subject to capacity and other restrictions.

The retail value of the Southern California CityPASS admission card represents a savings of up to 30% over the collective retail value of the attraction admission fees when purchased separately. Other restrictions apply. First use of card must occur on or before December 31, 2017. Ticket cards are valid 14 days and expire 13 days after first use or January 13, 2018.
